

The Tiger's Wife

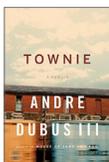

A Novel, by Téa Obreht

(Random House, 9780385343831, \$25)

"Very rarely does a first novel announce a major new talent, but so it is with *The Tiger's Wife*. Brilliantly using myth and legend from the Balkans, Téa Obreht tells the story of a young doctor, her grandfather, and their shared history against the backdrop of the area's decades of turmoil and sorrow. This brilliant

effort evokes echoes of Borges and García Márquez, and is certain to mesmerize the reader."

—Bill Cusumano, Nicola's Books, Ann Arbor, MI
