Running the Rift
A Novel, by Naomi Benaron
[Algonquin, 9781616200428, $24.95]
"Named for the Rwandan god of thunder, Jean Patrick Nkuba is destined for Olympic glory. Pushing his body up the misty hills of his village, he dreams not only of fame, but also of bringing peace to his country and equality to his Tutsi compatriots. When the floodwaters of hatred and war with the Hutu burst out over his homeland, Jean Patrick must run a different kind of race in order to survive. Both beautiful and heart-trending, horrific and hopeful, this novel carries a message that deserves to be widely read."
