

Canada

A Novel, by Richard Ford

(Ecco, 9780061692048, \$27.99)

"Canada, Richard Ford's long-awaited new novel, is not one to be rushed. While the plot sounds sensational—robbery, murders, a flight across the Canadian border—Ford's laconic, measured prose forces the reader to slow the pace and savor the story. This is a novel about actions, intentions, and consequences as well as about belonging, introspection, and the solitary nature of life. Powerful and atmospheric, *Canada* will excite and gratify Ford's fans and introduce newcomers to a masterful American writer."
