Painted Horses
A Novel, by Malcolm Brooks
(Grove Press, 9780802121646, $26)

“Brooks sweeps post-WWII American prosperity, ancient native traditions, and the rush to tame the still-wild West together in a novel driven by diverse and deeply realized characters that come together in a heart-pounding story. Catherine Lemay is a talented young archeologist defying the traditions of a ‘man’s world’ by accepting the challenge to explore a Montana canyon slated for flooding for hydroelectric power. What she discovers is beauty, history, threats, and John H – a former mustanger, Army veteran, and enigmatic canyon dweller. Far from her comfortable New York home, Catherine embraces Montana’s stark conditions and with John H uncovers both secrets of the region and truths within herself. A breathtaking debut!”
