Exit West: A Novel

By Mohsin Hamid

(Riverhead Books, 9780735212176, \$26)

"Exit West will take your breath away as it magically weaves together a story of falling in love while the world falls apart. Spirited Nadia captures the heart of the thoughtful Saeed, but as their different paths in life converge, ordinary life gives way to the insults of war. Mohsin Hamid conveys the story of these young refugees with tenderness, humanizing the horrors that we too often see as merely headlines. As chaos touches so many lives around the globe, Hamid writes eloquently of the beauty found in our struggle to survive. This is more than a timely story; this is a remarkable work of art."
